EXPERIENCE

FREELANCE | Graphic Designer

Fair Oaks, CA–Denver, CO from 1/2016–present

Working on a variety of small scale projects for the community. Projects include logos and branding, signage, websites, invitations, calendars, posters, and apparel design. Communicated with clients to determine their specific needs, worked independently on fast deadlines and delivered final products to clients ready for print, web, or other usage.

ENYART FORGE & FABRICATION | Part-time

Denver, CO from 4/2017–present

Worked on custom documents for company usage. Created a multi-state marketing campaign for work bids. Updated and kept track of project time lines for each employee. Organized shop products, designed a system for storage, and created an insurance Google doc for large and small equipment. Hand patinaed, scoured, and waxed metal pieces.

CREATIVEBUG | Freelance Graphic Designer

San Francisco, CA from 4/2014–5/2015

Prepared multi-page instructional documents for online creative based classes. Organized typographic and photographic content. Designed layout templates for large scale, multi-page, printable designs. Worked remotely with fast-paced deadlines.

COMMUNICATION DESIGN ASSOCIATES (CDA) | Graphic Design Intern

Chico, CA from 8/2013–5/2015

Created design work including branding identity, logos, brochures, mailers, and posters for clients. Collaborated with fellow student interns under the advisement of an art director. Highly involved in client meetings, ideation, process work and the production of final pieces for print and delivery to client.
